

Warrior Creed

I am a prayer warrior

It's not my last resort
It's my first and best option

I'm not a worrier

Because my God is bigger than any obstacle I face

I'm only a princess in His Kingdom

And I'm alert and battle ready

Praise drives out the enemy

And fills my heart with joy

I'm a prayer warrior

God listens when I pray
His Word is in my heart and on my lips
And His victory is sure.

Warrior Prayer

Lord, when fear tells me I'm not enough, I'm too young, and things are out of control, help me to remember You are always with me, always listening, and always faithful.

Warriors Pray for Others

Prayer warriors not only look out for their own interests, but they also love and pray for others. Use the following examples to pray for others in your life:

Pray for someone who doesn't know Jesus:

Father, help _____ to come to know You, follow You, and love You with their whole heart.

Pray for someone who doesn't have a Bible:

God, there are people, even whole countries, that don't have Bibles in their language. Give them a translator and the resources needed to get Your Word into their hands.

Pray for someone who is sick:

Healer God, my friend, _____, is sick. I ask You to be close to him/her, bring comfort and healing.

Pray for unity and cooperation within your family:

Lord, there is perfect unity between the Father, the Son and the Holy Spirit. Please give my family, my parents and siblings, and me peace in our home. Help us to serve each other so we please You more.

Pray for someone in leadership:

Mighty God, You are the leader of this whole world. You put presidents, teachers, and pastors in their roles. I ask that today You would bless _____. Give them wisdom, compassion and courage to lead others in a way that pleases You.

Pray for someone you don't get along with (an enemy):

Forgiving God, You have forgiven me for so many things. I feel like _____ has wronged me and it's hard to get along with him/her now. Help me to forgive. I ask that You would be with him/her today and do something extra special for them.

Princess ... Wake Up

Esther—Read Esther Chapters 2-8

Fill in the story of Esther with the major people (use your Bible to help):

Esther Mordecai Haman King Xerxes Jews

The story begins when _____ saves King Xerxes from two men who were trying to kill him. _____ promoted Haman to a position where everyone had to bow down before him. However, _____ refused to respect Haman that way. (Esther 2:19-3:2)

_____ was very angry that Mordecai wouldn't respect him and planned revenge against him. Haman knew that _____ was a Jew. So, _____ convinced King Xerxes that the _____ were a danger to his kingdom and to make a law that on a certain day anyone could kill any _____ in the kingdom. (Esther 3:5-11)

Mordecai asked _____ to help (because Esther was also a Jew). _____ didn't want to help. However, _____ made the situation clear to Esther: "Do not think that because you are in the king's house you alone of all the Jews will escape. For if you remain silent at this time, relief and deliverance for the Jews will arise from another place". (Esther 4:13-14)

This was Mordecai's way of telling Esther to "WAKE UP!"

_____ did wake up and told _____ she would talk to _____, but first they needed to pray. (Esther 4:15-16)

Esther tells _____ of what Haman has done. King Xerxes has _____ hanged and issues a new law that says the _____ can defend themselves. The Jews are saved. (Esther 7:3-8:17)

Are You a Princess That Needs to Wake Up? Esther was a Queen. It's easy for a queen, or a princess, to think that they can sit back and let the warrior or someone else fight and do battle on their behalf. But Esther, a queen, was in the perfect position to pray, to be a prayer warrior.

No matter which of these three you are most like you can be confident that God has intended to use you as a prayer warrior. On the next three pages read about how each of these people can use prayer to make big changes.

Worrier ... Switch Your Focus

Elisha's Servant—Read 2 Kings 6:17

During this part of history, Israel was being attacked by another group called the Aramenans. As the Arameans were on their way to Israel for one of these attacks Elisha and his servant saw them. Read 2 Kings 6:15-19 to finish the story.

The servant of Elisha had something to say:
"Oh no, my lord! What shall we do?"

Elisha responded to his servant with truth:
"Don't be a _____.
Those who are with us
are m_____ than those
who are with t_____."

Then Elisha prayed and God answered his prayer.

Fill in the boxes with Elisha's prayer and God's answer (verse 17):

Elisha's Prayer

God's Answer

Weird Words: "hills full of horses and chariots of fire". This phrase is used to explain that Elisha was seeing spiritual forces fighting against the Arameans.

So in faith Elisha prayed again (verse 18):

Elisha's Prayer

God's Answer

The army of the Arameans were blind, Elisha was able to trick the army by saying
"F_____ me". Where did Elisha lead them? S_____ (verse 19)

Are you a worrier who needs to switch focus? Elisha's servant was focused on what he could see, the Aramean Army coming. Elisha chose to focus on what he couldn't see and trusted God to provide a way out. When we switch our focus from our problems to believing God will work, our prayers become powerful. We become prayer warriors.

Who won the battle?

people of Judah praising the LORD:

Are You a Warrior Who Needs to Praise? Jehoshaphat was the King of Judah, a warrior, the leader of the army. He saw prayer as the most effective strategy, not a last resort. He called on the LORD, obeyed the LORD's instructions, won the battle, and gave God all of the glory. As prayer warriors we can use prayer and praise as our primary weapons.
