

# Girls in Prayer *Welcome Leaders!*

## **Welcome to the Girls in Prayer program!**

We are so excited that you are pursuing teaching the girls in your life to pray. We wait with expectation for a generation of kids who have been taught to approach God's throne with boldness and confidence!

This program was originally developed in partnership with American Heritage Girls (AHG), a Christian character development program whose mission is to build women of integrity through service to God, family, community and country. For more information go to [www.americanheritagegirls.org](http://www.americanheritagegirls.org).

It was our desire to answer the questions, "Why should we pray?" and "How do I pray?" at age appropriate levels. The activities and study guides point to Scripture as the handbook to prayer and are meant to be engaging and to spark conversation between adults and kids.

We welcome you to tailor the activities to work with the group or kids in your life. All we ask is that if you make copies that you leave the copyright intact and if posted online that you point back to the Moms in Prayer webpage.

The patches AHG rewards at the completion of the program are available in our Moms in Prayer store. We invite you to purchase and enjoy them with the girls in your life as well.

**We are praying that God would bless you as you train the next generation of prayer warriors.**
