

TEACHING TRUTH. **INSPIRING HOPE.**

WHAT IS BIBLE2SCHOOL

For more than 40 years, Bible2School has provided weekly released time Bible classes for elementary students in Lancaster County and is now expanding nationwide through Bible2School Memberships.

A Bible2School Membership is a subscription-based, franchise model designed to help you activate a Bible2School program in your own local school. We will come along side you by equipping you with resources, curriculum and more to implement this dynamic program and mobilize your community. Together, we can meet children where they are with the love and hope of the Gospel.

WHAT IS BIBLE2SCHOOL

Bible2School is a program that provides free elective Bible classes to elementary school children attending public school during the school day. The children walk or are bused to a nearby church or partner location where trained volunteers engage the children in lively worship and Bible stories. Children and volunteers discuss how they can apply the Bible lessons in their lives and pray together.

MISSION To teach the Bible to children attending public school and inspire hope, showing them their unique value in Christ.

VISION That every public school in our nation would have a dynamic Bible program taught during the school day through the national released time law.

At Bible2School, we teach our children who God is and about the love and hope that Jesus provides. Bible2School's curriculum offers children engaging lessons to help them learn biblical truths and values, love Jesus and live out their faith.

1. The curriculum is designed specifically for school release time programs, meaning that it is made for being taught **within the time constraints of a school hour**.
2. Lessons explain the Gospel message in child-friendly terms so that children without any church background can understand.
3. Every Lesson's main idea is unpacked during small group time at each child's level of understanding so they will have thorough understanding of the material.
