

Join Churches Worldwide Praying for Children and Schools

To bless our schools please pray ...

- **May Christian students stand firm in their faith**, showing God's love on their campus so many will come to Christ this school year.
- **May there be unity and high moral standards among teachers, administration, school board and support staff** and may all decisions be based on biblical values. May God strengthen, refresh and bless Christians serving in our schools.
- **Safety**—Pray God's hand of protection upon the students, school and staff, that any plans for evil will be quickly thwarted.

Sponsored by Moms in Prayer International, **Bless Our Schools Sunday** is the third Sunday of September every year.
