

God's power is unleashed  
*through our prayers*

Join other grandmothers in simple, conversational prayer  
for your grandchildren and their schools.

**Every child, preschool to young adult, needs your prayers.** We live in a culture that seeks to blind our grandchildren to the reality of God's love for them. You can make a difference in their lives by interceding for them using God's Word, praying together with other grandmothers that our grandchildren and their schools will be transformed by Christ.
