School/World Concerns:

- Health and safety for all
- Wisdom for decisions to be made for the students, staff and school districts
- Healing for those who are sick and a cure to be found
- Protect the hospital staff and doctors taking care of this
- For us to learn and grow during this time
- For us to be helpful to our family and others
- For the families who may not have enough food/resources, or home isn't a happy place
- That we would be prayerful and not fearful

Moms in Prayer Concerns: May every school be covered in prayer; protect the ministry keeping it untarnished and pure.

Remember, what is prayed in the group, stays in the group!
