To bless our schools please pray ...

- **May Christian teachers, staff, and students stand firm in their faith** at school and in their homes so that many will come to Christ this school year. May God strengthen Christians serving in our schools so they will not be anxious but filled with peace, trusting God and encouraging others around them.
- **May students who are working online away from school** honor those in their homes, be diligent in their schoolwork, and stay connected with encouraging peers so that they don't become isolated.
- **May there be unity and high moral standards among teachers, administration, school board and support staff**, especially during this time of uncertainty. May all decisions be based on sound wisdom and discernment.
- **May God's hand of protection be upon the students, school and staff**, that any plans for evil will be quickly thwarted. Pray that all schools will move forward in good health and safety.
