- See each child as an individual
- Bring out the best in each child
- Treat them with love and kindness
- Use encouragement to foster growth

My classroom—*Let the presence of the Lord be felt there*

- A place of safety for the troubled
- A place of learning for each child
- A room filled with peace, love, joy and acceptance

Families of students—*Let us be a partnership working together in the best interests of the child*

- Strong family unity and a nurturing home life
- Protection for the children of troubled homes
- Good communication between parents and myself as teacher

The school staff—*Let us, together, create an environment that reflects God's love*

- God's blessings in the life of each staff member
- Good judgment in our joint decision-making
