

The Lord has done great things for us and we are filled with joy. Psalm 126:3 (NIV)

Dear Moms in Prayer women of the world,

Thank you so much for persevering in prayer this year, even when it seemed impossible. You zoomed, walked, google chatted, skyped, etc. You kept on praying, never giving up! One group moved their prayer time to midnight and six more women joined them! Another group with three ladies continued to pray weekly, walking, sitting in a car, or at home. They spurred one another to continue the mission, impacting kids and schools for Christ.

As you all prayed, we witnessed students sharing their faith, inviting teachers to church, standing up in class for God's truth and leading Bible studies; youth groups grew in number, salvations and revival were evident, and much more! School ministries thanked us for our prayers, expressing that this year has been amazingly fruitful for God's kingdom.

How I thank God for you and your partnership in God's work on behalf of the children and schools. As one of our women in leadership just shared with me, "God is on the move. He is bringing His touch in powerful ways in the nations; His Kingdom is expanding; His children are being awakened; and His glory is arising." May Gen Z be the most prayed-for generation ever!

Praying for Orphans in Mozambique

Watch as Maria, Contact Person, introduces Moms in Prayer groups that pray for children and schools throughout Mozambique. Maria also runs an orphanage with over 1,000 children. Ten Moms in Prayer groups cover them in prayer. "We have a hope and trust in God, that only He can change the situation."
