

**Claim Your Campus** is on mission to call, train, and sustain 1 million students to pray weekly at every middle and high school in America. Join the movement!

**If you're a student:** There are 3 steps to starting a prayer group in your school.

**If you're a pastor:** Connecting your students to CYC will grow future leaders, connect them to God through prayer, and equip them to reach their friends in their schools! This allows you more time to pour into them at a deeper level and their outreach to grow your ministry.

**If you're a parent or educator:** We know you are praying for and supporting your students. Two practical ways to help them get involved with Claim Your Campus are

1. Taking time to pray for them daily / weekly
