

President of Moms in Prayer International, Sally Burke is a dynamic speaker and author.

She leads a worldwide ministry equipping and encouraging women in the transforming power of prayer.

From Launching Space Shuttles to Launching Worldwide Prayer Groups

Sally is a former space shuttle engineer with a Master of Science in Management. After her marriage and the birth of her first two children, Sally and her husband came to faith in Christ. Her introduction to Moms in Prayer in 1990 was life changing. In 2008, Sally became the Director of Field Ministry at Moms in Prayer headquarters, overseeing ministry expansion worldwide. Today, in her role as President of Moms in Prayer International, her vision remains unchanged, that more children, schools, and moms might experience God's life-changing answers to prayer.
