

MOMS IN PRAYER INTERNATIONAL ANNUAL REPORT 2022-23

Rise up bold in the strength of the LORD

On the day I called, You answered me;
You made me bold with strength in my soul.

Psalm 138:3 NASB

A LETTER FROM MOMS IN PRAYER PRESIDENT

Sally Burke

This year, I have had the joy of witnessing how our women are rising up bold in God's strength to impact more children and schools for all eternity. God is moving powerfully through their prayers even in the midst of difficulties or impossible circumstances. Many in this world today are facing intense hardships, battles and challenges, and yet we are witnessing students hearing the gospel by the hundreds and sometimes the thousands and many are receiving Jesus as their Lord and Savior!

As I met with women this year, so many joyously shared miraculous stories of God's mighty work in the lives of their own children, the children of their school, the teachers, administrators, coaches, families, and whole communities.

We have much more to do, more schools to cover, more children to pray for, and many more women to share this life changing ministry with! But how we thank God for raising up a mighty army of women who are bold in the strength of our Lord, touching lives for all eternity through prayer.

We are so grateful for each person who partners with us on behalf of the children and schools around the world. You are a vital part of this ministry! Each gift has a kingdom impact. To Him alone be the glory!

Joining with you in prayer,

Sally Burke

Impact USA GROUPS

"Moms in Prayer has been such a blessing for me and my family for over 10 years. The prayer sheet that we print out from the website is so easy to use. Praying scripture verses over our kids is so powerful and effective! We have developed this community of praying moms after school drop offs and are so blessed in praying for our kids, their schools, teachers and staff on their campuses. The peace we get knowing that our Great God hears our prayers and answers them according to His great plans for our kids is so amazing! **We will forever be Moms in Prayer moms, no matter the age of our kids!**"

"That day was so powerful, and the Holy Spirit washed over me. There were so many emotions, and that day, I decided to accept Him and let Him guide me. As I walk in this new path, I wanted to thank you for being a huge inspiration to me and so many other Mommas out there."

Impact GLOBAL GROUPS

A Legacy of Prayer

Myrtle Harrison, who lives in Bluefields, Nicaragua, started the first Moms in Prayer group in Latin America after hearing Fern Nichols on a Focus on the Family radio interview. She was obedient to God's call to pray, ordered a *Booklet*, and on January 2, 1988, Myrtle gathered the young mothers whom she mentored and led them in prayer.

Today, Nicaragua has 354 Moms in Prayer groups with over eight hundred women praying in these groups.

Women attend the 5 year celebration of Moms in Prayer in Senegal. They all live in Dakar but originate from 9 different countries. We printed French and English *Booklets* so they could be ready for the event.

ANSWERED *Prayers*

"My son didn't want to go to school. We started praying for him, 'Let him develop interest in school, connecting with godly friends.' Now he enjoys school, and I see him excel. He's always ready to learn."

A myriad of small "coincidences" combined to result in saving an 8th grade boy from suicide. An MIP grandma credits God with a miracle.

"There is an unexplainable move of God in students' hearts this year. We are seeing our prayers answered right before our eyes."

"Thank you for praying for me," a teacher shared. "Part of the reason I know Jesus is because of the fierce prayers of Sally Burke over my life. I know the powerful impact you are making through mighty prayers!"
