

Teachers in Prayer Start a Group

School faculty members have a unique place in the lives of students. What better way to fulfill this responsibility than to spend time in prayer for the students, your fellow teachers and issues that affect the school. Moms in Prayer International provides an easy, biblical format that can be adapted by teachers who pray together.

How to Start a Group

- Ask God for at least one other member of the school faculty to pray with you.
- Choose a place and time that are convenient for you to meet. Many teachers meet before or after school, or even during the lunch period. Praying once per week is optimal.

If Time Allows:
